

# A Traveler's Guide to America's Dairyland

## National Ice Cream Month

Anytime is a great time for a Wisconsin ice cream treat. But when you visit in July, you can celebrate National Ice Cream Month with stops across the state.

Outdo Ordinary®

## Discover Wisconsin Cheese

Choose a cheese. Whatever your craving, find it here. Wisconsin cheesemakers craft more than 600 varieties, types and styles of cheese.

## TLC for Dairy Cows

Home to more than 1.28 million dairy cows, Wisconsin takes good care of these animal citizens whose milk is at the heart of the \$43.4 billion dairy industry.

## Cheesemaking in Wisconsin

Cheesemaking is a way of life where craftsmen excel at specialty and artisan varieties. We make 1 of every 4 pounds of cheese sold in the U.S.

## Family Owned Farms

Wisconsin carries on the tradition of family owned farms. More than 98% of dairy farms are family owned with herds averaging 130 cows.
